Disclosure and explanation of any business relationship between applicant charitable/non-profit organization and it's officers/directors.

Prohibition of Inurement Notice: Many types of non-501(c)(3) tax-exempt organizations including social welfare organizations are prohibited, by statute, from allowing Inurement of net earnings or assets of the organization to benefit any insider. An insider is a person who has a personal or private interest in the activities of the organization such as an officer, director, or a key employee.

Request for Funding Application
Seabrook Association
\$1000.00 and over
Initial Screening Form

This form is intended for preliminary screening of funding requests. The Seabrook Association will consider the preliminary request for suitability and interest of our organization. We have developed a more detailed Funding Proposal Checklist of specific items as it may relate to each request and we may request an interview to be used in final determination for board approval. Information will be retained on a confidential basis.
